The daily work of the Faroese Food and Veterinary Authority with special emphasis on water

Arni Petersen

Faroese Food and Veterinary Authority, Tórshavn, Faroe Islands

Abstract

The Faroese Food and Veterinary Authority is the competent authority of food - including water - in the Faroe Islands. The presentation will give an insight into the daily work of the FFVA in the Faroe Islands with special emphasis on water herunder:

- Organisation of the authority
- Legislation on drinking water
- Statistics and facts of the drinking water supply systems in the Faroe Islands
- Hazards and challenges regarding drinking water in the Faroe Islands
